Lot 1: Genesis - Hearing

15 capsule

Genesis Caps

Hearing, nervous system and memory support in one formula

Genesis Caps is a multi-functional dietary supplement specifically designed for people suffering from ear problems, neuralgia and memory disorders. The formula is based on natural ingredients that restore the health of the auditory nerve, improve the transmission of nerve signals and support the brain, joints and musculoskeletal system.

Recommended

 For hearing and ears: the product helps to restore the function of the auditory nerve, provides relief from hearing loss, ear inflammation, tinnitus, ringing or congestion.

 For brain and memory: improves microcirculation, promotes clearer thinking and memory, prevents age-related cognitive impairment.

 For sleep: helps with sleep disorders and nighttime anxiety.

 For peripheral nerves: relieves numbness in hands and feet, restores sensitivity.

 For bones and joints: the ingredients of the formula strengthen bone tissue and relieve symptoms of joint pain and inflammation.

Method of application:

Take 2 capsules a day, preferably in the morning and evening after meals. The recommended course is from 30 days.

Lot 1: Elsie - Psoriasis

10 capsule

Elsie

Natural formula for healthy skin, relieving itching and strengthening nails

Elsie is a sophisticated complex of amino acids, vitamins, zinc and plant extracts, aimed at restoring skin structure, eliminating inflammation and irritation, as well as strengthening the nail plate. Ideal for sensitive, inflamed, dry or damaged skin.

Recommended

 L-cysteine and L-glutathione activate keratin and collagen production, promote cell regeneration and even out skin tone.

 Bitter orange and pine bark have anti-inflammatory and antiseptic action, eliminate redness, itching, tightness and peeling.

 Extracts of blueberries, grape skins and grape seeds saturate the skin with antioxidants, improve microcirculation, promote rejuvenation and healing.

 Zinc and vitamin C strengthen skin and nails, accelerate recovery from damage, and improve the skin's protective barrier.

 Glycine and Glutamine support tissue elasticity and healthy skin structure from the inside out.

Method of application:

Take 1 capsule 1-2 times a day with meals. Minimum course - 30 days.

Lot 1: Cartesian - Joint

10 capsule

Cartesian

Natural support for bones, joints and hormonal balance

CARTHISIN is a new generation multicomponent complex created specifically to support the musculoskeletal system, prevent osteoporosis and improve adrenal function. Its formula combines 30 active ingredients, including minerals, vitamins, amino acids and plant extracts, with a targeted action to restore, protect and nourish joints and bones.

Recommended

 Calcium carbonate, magnesium oxide, vitamin D3 and manganese help strengthen bone tissue, improve calcium absorption and prevent bone fragility.

 Extracts of astragalus, ginseng, reishi, licorice and alfalfa have anti-inflammatory, immunomodulatory and antioxidant effects.

 Beta-glucan, coenzyme Q10, taurine and folic acid increase the body's resistance, improve circulation and reduce the risk of infections.

 L-carnitine and soy protein activate the adrenal glands and support hormonal balance.

 Extracts of horsetail, dong quai and schizandra promote cartilage repair, improve tissue elasticity and reduce joint inflammation.

 Zinc, copper and vitamin C are involved in collagen synthesis and boost immune defense.

 Method of application:

Take 1-2 capsules a day after meals. The recommended course is at least 1 month.

Diacard

Natural formula for normalizing blood pressure and supporting the heart

DIACARD is an innovative complex of 16 active components aimed at balancing the circulatory system, preventing hypertension and improving heart function. The product is designed for those who strive for healthy blood pressure, steady pulse and strong blood vessels.

📌 Recommended

🧬 Amino acids L-cysteine, L-arginine, L-carnitine, L-lysine and L-methionine (50-75 mg each) participate in the regulation of vascular tone, improve microcirculation and reduce inflammation.

🧘 Magnesium (50 mg) relaxes vascular walls, reduces blood pressure and stress levels.

💖 Taurine (30 mg) and fish oil powder (30 mg) promote stable heart function, normalize cholesterol and maintain elasticity of blood vessels.

🌿 Extracts of artichoke (30 mg), bitter melon (40 mg), astragalus (3 mg), fenugreek (30 mg), grape peel (30 mg) and cordyceps (30 mg) have detox effects, strengthen blood vessels, improve metabolism and protect against oxidative stress.

🧪 Zinc in chelate form (30 mg) regulates metabolism, improves immunity and supports vascular wall health.

💊 Method of application:

Take 1 capsule 2 times a day after meals.

Recommended course - from 30 days.

Lot 1: T-Chrome - Weight loss

15 capsule

Genesis Caps

Natural support for weight loss, appetite control and metabolism acceleration

Tchrome is a balanced formula based on 9 active ingredients, aimed at a comprehensive fight against excess weight. An ideal solution for those who want to lose weight without stressing the body, improve digestion and control the feeling of hunger.

Recommended

 Garcinia cambogia extract (300 mg) helps suppress appetite, reduces cravings for sweets and blocks fat synthesis.

 Green tea extract (200mg) is rich in antioxidants, boosts metabolism and increases energy levels.

 Calcium pyruvate (150 mg) promotes fat burning and muscle preservation.

 White bean extract (100 mg) slows the absorption of carbohydrates, lowering blood sugar levels.

 Chitosan (75 mg) binds fats and removes them from the body.

 Laminaria extract (50 mg) saturates the body with iodine, supports thyroid function and hormonal background.

 Black pepper (25mg) and ginger (25mg) boost thermogenesis, accelerate calorie burning and improve digestion.

 Chromium picolinate (0.5 mg) regulates blood sugar levels and reduces cravings for overeating.

 Method of application:

Take 1 capsule 2 times a day before meals. Recommended for a course of 1 month or more for a lasting result.

TH

Lot 1: Helmina - Parasites

15 capsule

Helmina

Natural formula for detox and anti-parasitic defense of the body

Helmina is a new generation dietary supplement aimed at cleansing the intestines, improving the GI tract and eliminating parasites. The formula combines herbal components that stimulate bile secretion, normalize stools and restore beneficial microflora.

Recommended

 Deep cleansing: promotes the elimination of toxins, slags, food residues and parasite products.

 Antiparasitic action: helps to destroy worms, their larvae and protozoa, including those hiding in hard-to-reach parts of the intestines.

 Restore microflora: stimulates the growth of beneficial bacteria, improving the balance of the intestinal environment and strengthening the immune system.

 Improved bile flow: activates the processes responsible for the natural “flushing” of the intestines and normalization of digestion.

 Stool normalization: relieves chronic constipation, abdominal bloating and discomfort during defecation.

Method of application:

Take 1-2 capsules per day with meals.

Recommended course - 10-30 days depending on the purpose (detox or antiparasitic program).
